

FOR IMMEDIATE RELEASE

No-Kill International™ Inc Announces Its Initial Life-Saving Programs and Initiatives

No-Kill International™ Inc is pleased to announce the initial programs and initiatives that form the foundation of the organization's mission to save dogs and cats from euthanasia because of a lack shelter of space.

Emergency Shelter Project - To rapidly build emergency shelters

The No-Kill International™ Inc Emergency Shelter Project is designed to facilitate the rapid construction and deployment of permanent emergency-response shelters to provide immediate housing for shelter dogs and cats facing euthanasia because of a lack of shelter space.

Operation Forever Home™ - Every dog and cat to have a forever home

Saving animals from euthanasia by building no-kill shelters is only the beginning. Every successful shelter must also have a dependable path for them to acquire their forever homes. Operation Forever Home™ is that.

Life Defenders Alliance™ - Partnering organizations to aid No-Kill International™ Inc in life saving infrastructure through Life Defenders Alliance™ with partnerships, sponsorships, in-kind donations, discounted services, donated materials, and cooperative relationships whenever practical and appropriate.

Life Defenders Alliance™ Round-Up+™ Program - Customer-Giving Opportunities
Designed to Help Save Shelter Dogs and Cats

Round-Up+™ is being developed as a customer-giving program for businesses to allow their customers to voluntarily support No-Kill International™ Inc through round-up and fixed dollar donations.

Standardized Shelter Platform Initiative - More room for less money

No-Kill International™ Inc seeks to deploy modular systems, capable of housing substantial numbers of animals, that do not require the extraordinary costs and lengthy construction timelines often associated with traditional one-off construction projects.

No-Kill International™ Inc Certified - No-kill shelter unified standards for adoptions and increasing adoptions, life-saving, animal care, safety, and shelter capacity

Certification standards are currently being developed and can be viewed on our website. No-Kill International™ Inc is establishing certification standards for independent shelters that wish to become No-Kill International™ Inc Certified.
